COUNTY OF LOS ANGELES  
DEPARTMENT OF PUBLIC WORKS  
BUILDING AND SAFETY/LAND DEVELOPMENT DIVISION

STATEMENT TO BE SIGNED BY OWNER PRIOR TO ISSUANCE OF SWIMMING POOL PERMIT

Water drained from swimming pools must not encroach on abutting property. The following are legal methods of swimming pool waste water disposal:

1. To a sanitary sewer through a three (3) inch P-trap legally installed under permit from the Building and Safety/Land Development Division of the Department of Public Works. This applies only to property which is connected to a public sewer. Swimming pool waste water shall not discharge to a private sewage disposal system.
2. On the property if the property is large enough to insure that runoff will not encroach on abutting property.
3. Removal of pool contents by tank truck.
4. In the case where none of the above can be accomplished, alternate methods of disposal acceptable to the State Regional Water Quality Control Board (SRWQCB) may be used. Prior to discharge, the swimming pool water must be tested by the owner to insure that it is within all water quality standards established by the SRWQCB. Contact Department of Public Works, Waste Management Division at (818) 458-3537 for information.

This is to certify that I have read and understand the forgoing and agree to pass this information sheet on to the next subsequent owner.
